

Let's get you protected

Your download is on its way. When it's ready, go ahead and install your software . Heads up – you might need to close apps and remove conflicting programs during installation.

Here's your serial number: A62FR6P7R68M3A3

Keep it handy. You might need it to get up and running.

Ready? Let's get started:

Launch the installer

Click Yes, allow McAfee to make changes to protect your computer

Let the installer lead you the rest of the way
